

WESTERN LEAGUE

The Western League is an inter-area league involving seven English counties and East Wales. Matches are held on a Saturday, starting 1pm, and involve A, B and C teams, each playing 40 boards. All paid-up members of East Wales are eligible to play, and the three tier competition means that the league is suitable for players of club standard up to international level.

Travel expenses to away matches will be reimbursed, assuming four players per car. For home matches players are charged £2.50 table money. Free teas are provided, home and away. The C team is organised by Paul Relph of Gwent Bridge Academy (gogreen1942@hotmail.co.uk), whilst I look after the A and B teams.
